## **Real Estate Investment Securities Association (REISA) Launches New Online Career Center**

INDIANAPOLIS – October 12, 2009 – REISA announces the launch of its interactive, online job board, the REISA Career Center. With its focus on the real estate investment securities industry, the REISA Career Center offers its members and the entire real estate investment securities industry an easy-to-use and highly targeted resource for employment connections.

“We’re very excited about the new REISA Career Center because we know how critical it is for employers to attract first-rate talent with a minimum expenditure of time and resources,” said Katherine M. Finley, Executive Director. “We can now enable and empower our members and other industry professionals smooth career transitions and career development opportunities.”

Both members and nonmembers can use the REISA Career Center to reach qualified candidates. Employers can post jobs online, search for qualified candidates based on specific job criteria and create an online resume agent to e-mail qualified candidates daily. Job seekers can post their resumes, browse and view available jobs based on specific criteria and save those jobs for later review if they choose. In addition, job seekers can create a search agent to provide e-mail notifications of jobs that match their criteria.

Visit the career center at [www.reisa.org](http://www.reisa.org). For more information, contact Jill Delaney at [jdelaney@reisa.org](mailto:jdelaney@reisa.org) or 317.663.4175.
